## **AGREEMENT**

THIS AGREEMENT, together with the attached Appendices which are an integral part of this Agreement and by this reference incorporated herein, is entered into by and between the BOARD OF COMMUNITY COLLEGE DISTRICT NO. 515, COUNTIES OF COOK, WILL AND STATE OF ILLINOIS (herein called the "Board") and the Prairie State College Federation of Supportive Staff, Cook County College Teachers Union, Local 1600, AFT, AFL-CIO (herein called the "Union"), as sole and exclusive bargaining agent for the bargaining unit members, as defined herein. The Agreement shall also be binding upon the parties' respective successors, for the life of this Agreement.

## **PREAMBLE**

WHEREAS, the Union has been designated as the bargaining representative by a majority of the bargaining unit members;

WHEREAS, the Board and Union have voluntarily endorsed the practices and procedures of collective bargaining as a fair and orderly way of conducting relations between the Board and the bargaining unit members insofar as such practices and procedures are appropriate to the obligations of the Board to retain the right effectively to operate Prairie State College and are consonant with the paramount interests of the public and the students of Prairie State College;

WHEREAS, it is the intention of the parties to this Agreement to provide for the wages, hours, terms, and conditions of employment of the bargaining unit members covered by this Agreement, and to provide an orderly and prompt method of handling and processing grievances;

NOW, THEREFORE, the parties agree with each other as follows:

**ARTICLE I - RECOGNITION**

**Section 1.1 Recognition**

The Board recognizes the Union as the sole and exclusive bargaining agent for all bargaining unit members listed in Appendix C of this Agreement.

**ARTICLE II - DEFINITIONS**

**Section 2.1 Bargaining Unit Member**

The term "bargaining unit member" is defined as regular full-time and part-time employees hired to work at least twenty (20) hours per week on a regular basis. Excluded are managerial, supervisory, confidential, temporary (less than ninety [90] calendar days; or in the case of an employee who fills the position of an employee on leave, not more than six [6] months) professional, hourly, and students. Bargaining unit positions shall not be filled by students and/or hourly workers.

**Section 2.2 Union**

The term "Union," as used herein, shall mean the Prairie State College Federation of Supportive Staff, Cook County College Teachers Union, Local 1600, AFT, IFT, AFL-CIO.

**Section 2.3 Gender of Words**

The masculine gender as used herein shall be deemed to include the feminine gender, unless in the context of the provision(s) concerned, the feminine gender is clearly appropriate.

**Section 2.4 Proration of Benefits**

The following formula will be applied to regular part-time bargaining unit members when calculating their life insurance coverage, summer hours if a shortened work week is approved, vacation, sick leave, and other paid time off benefits:

$$\frac{\text{NUMBER OF HOURS WORKED PER WEEK}}{40} \times \text{REGULAR FULL-TIME EMPLOYEE BENEFIT RATE} = \text{PART-TIME EMPLOYEE BENEFIT RATE}$$

Two rates will be calculated for part-time employees for health insurance premiums. Employees who work 20 - 29 hours per week will receive 50 percent of the full-time benefit. Employees who work 30 - 39 hours per week will receive 75 percent of the full-time benefit.

### **Section 2.5 Meeting with Other Organizations**

This Agreement shall not be construed to prevent the Board or any administrator from meeting with any bargaining unit member or bargaining unit member organizations, including the bargaining unit committee, representing bargaining unit members for the purpose of hearing the views and proposals of such bargaining unit members or such bargaining unit organizations, provided that as to those matters covered by this Agreement no change or modification shall be made except through negotiation and agreement with the Union.

## **ARTICLE III - UNION RIGHTS**

### **Section 3.1 Non-Discrimination**

The Board and the Union agree not to discriminate against any bargaining unit member covered by this Agreement on the basis of sex, race, creed, national origin, ancestry, marital status, citizenship status, parental status, age, religion, physical or mental handicap, actual or perceived, sexual orientation, military status, genetic information, or Federation activity and membership in any and all classes identified by applicable state and/or federal law as protected classes. The Board in its employment practices, will continually seek to employ and promote the best qualified individuals while endorsing the principles of affirmative action, and will fulfill all of its obligations under federal and state laws regarding equal employment opportunity. Any alleged violation of this section is non-grievable and nonarbitrable, and may be remedied through any judicial or administrative proceedings otherwise provided by law.

**Section 3.2 Freedom From Harassment and Hostile Work Environment**

Consistent with applicable law, the Board and the Union agree that support staff employees are entitled to a non-hostile work environment where they shall be free from (a) unlawful harassment based upon characteristics protected by law, (b) their association with their lawful activities with any organization, or (c) conduct that violates Board Policies.

Behavior that creates a hostile work environment due to Section 3.2(a) or Section 3.2(b) above shall be grievable by either an individual or a group of employees.

An employee covered by this Agreement may choose to utilize Prairie State College Policy G-35, as attached (Appendix B and H) of this Agreement to address behavior identified in Section 3.2(c) above.

If the employee chooses to utilize other judicial or administrative forums, their right to pursue a grievance under this contract is waived.

**Section 3.3 Union Mailbox and Use of College Mail System**

The Union may use the internal mail system of the College to transmit official union business.

**Section 3.4 Fair Share**

- A. All employees covered by this Agreement (except employees who were not Union members as of July 1, 1985) who are not members of the Union shall, commencing on the effective date of this Agreement and continuing during the term of this Agreement, and so long as they remain non-members of the Union, pay to the Union each month their fair share of the costs of the services rendered by the Union that are chargeable to non-members under state and federal law. Fair share provisions shall apply to all employees who have been union

members, but elect to discontinue membership. Deductions for fair share will commence after proper notification of the Board and membership, but will not be retroactive.

- B. Such fair share payments by non-members shall be deducted by the Board from the earnings of the non-member employees and remitted to the Union, provided, however, that the Union shall submit to the Board an affidavit which specifies the amount constituting said fair share not exceeding the dues uniformly required of members of the Union, and which describes the rationale and method by which the fair share was determined, including a list of the expenditures which were excluded in determining the fair share.
- C. Upon receipt of said affidavit the Board shall cooperate with the Union to ascertain the names of all employee non-members of the Union from whose earnings the fair share payments shall be deducted and their work locations.
- D. The Union shall prepare a notice containing the fair share fee information specified in section (B) above, and advising that any non-member may object to the amount of the fee by: (1) filing an unfair labor practice charge against the Union with the Illinois Educational Labor Relations Board and serving a copy of the charge on the Union, as provided in the Rules of the Labor Board, or (2) taking any other action available to them by law.
- E. Upon the Union's receipt of notice of an objector's invocation of any procedure described above, the Union shall deposit in an escrow account, separate from all other Union funds, the amount of fee payments received on behalf of an objector or objectors that is fairly placed at issue by the objection(s). The Union shall furnish objectors and the Board with verification of the terms of the escrow arrangement and, upon request, the status of the fund as reported by the bank. The escrow fund will be established and maintained by a reputable independent bank or trust company, and the agreement,

therefore, shall provide that the escrow accounts be interest bearing at the highest possible rate; that the escrowed funds be outside of the Union's control until the final disposition as provided for herein; and that the escrow fund will terminate and the fund therein be distributed only by the terms of an ultimate award, determination, or judgment, including any appeals, or by the terms of a mutually agreeable settlement between the Union and an objector or group of objectors.

- F. If an ultimate decision in any proceeding hereunder directs that the amount of the fair share fee should be lower than the amount fixed by the Union, the Union shall promptly adopt said determination and notify the Board to reduce deductions from the earnings of non-members to said prescribed amount.
- G. The Union shall indemnify and hold harmless the Board, its members, officers, agents, and employees from and against any and all claims, demands, actions, complaints, suits, or other forms of liability, including the costs of defense thereof, that shall arise out of complying with the provisions of this article, or in reliance on any list, notice, certification, affidavit, or reassignment furnished under any such provisions; or which might arise pertaining to the term of this Agreement. It is, therefore, understood that, in the event of any judicial or administrative proceeding involving this Article at which the appearance of the Board is necessary, or which requires the expenditure of any costs or fees by the Board, the Board may select counsel of its choosing, and the "cost of defense" includes the Board's reasonable attorney's fees, and the Union shall reimburse same to the Board.
- H. Employees who object to payment of fair share amounts to the Union, based on bona fide religious tenets or teachings of a church or religious body of which such employees are members, are not required to make these fair share payments. Instead, such employees will be required to pay an amount equal to their

proportionate share, determined under this Agreement, to a non-religious charitable organization mutually agreed upon by the objecting employee and the Union. If the employee and the Union are unable to reach an agreement on the matter, the Illinois Educational Labor Relations Board list of charitable organizations to which such payments may be made will be used for the employee to select a charitable organization as recipient of his/her payments.

### **Section 3.5 Dues Check-off**

Upon receipt of a lawfully written authorization from a bargaining unit member, which may be revoked in writing at any time, the Board agrees to deduct the regular biweekly Union dues of such bargaining unit member from his pay and remit such deduction no later than seven days following the payroll date to the official designated by the Union in writing to receive such deductions. The Union will notify the Board in writing of the exact amount of such regular membership dues to be deducted by July 30 of each year, with such deductions to be implemented within 30 days thereafter.

### **Section 3.6 Reinstatement of Employees on Dues Check-off**

Whenever bargaining unit members take a leave of absence and are dropped from dues deduction, upon their return to the job, they will be automatically reinstated on dues deduction.

### **Section 3.7 COPE Check-off**

The Board agrees to deduct from the wages of any bargaining unit member who belongs to the Union a COPE deduction as provided for in a written authorization (Appendix J). Such deductions may be revoked by the bargaining unit member at any time by giving written notice to both the Board and the Union. The Board agrees to remit any deductions made pursuant to this provision promptly to the Union together with an itemized statement showing the name of each bargaining

unit member from whose pay such deductions have been made and the amount deducted during the period covered by the remittance.

### **Section 3.8 Board Meetings**

The agenda packet and the minutes of any Board meeting will be distributed to the Union President from the Office of the College President, and the Union shall be accorded the same right as any Prairie State College organization to attend Board meetings and address the Board of Trustees.

### **Section 3.9 Meetings with the President**

At the request of either party, the President or his designee and the Union President or his designee shall meet to discuss matters relating to this Agreement.

### **Section 3.10 Union Meetings**

On 48 hours' notice to the President or his designee, the Union shall have the right to schedule Union meetings not to exceed twice a semester, in such facilities of the College as approved by the President. The meetings will be scheduled by the Union in such a way to ensure that offices remain open. The President may reject such a meeting should it conflict with a scheduled activity or program of the College.

### **Section 3.11 Labor Management and Safety Meetings**

Representatives of the Union, not to exceed three (3) in number, and of the Administration, shall meet semi-annually at mutually agreed upon times to discuss matters of mutual concern relating to issues of safety and health.

More frequent meetings may be held upon mutual agreement. Each party shall prepare and submit an agenda to the other party one (1) week prior to the scheduled meeting.

**Section 3.12 Committee Appointments**

In order to appoint an appropriate number of support staff employees to yearly College committees, the President of the Union shall, upon request from the Board or their designee, forward a list of volunteers to serve on each standing committee. The number of appointees on each committee may vary in number yearly, but for the Insurance Committee, the number shall be proportionate to the size of the represented group.

**Section 3.13 Information to the Union**

Upon written request, the Board shall make available to the Union any records, reports, and other written documents which are relevant to the enforcement of this Agreement. Any such information which is not immediately available may be provided on a fee basis. A Union representative will meet with a Vice President, as designated by the President or designee, to arrive at a mutually agreeable fee.

**Section 3.14 Union Exclusivity**

The Board shall not negotiate with any other employee organization of bargaining unit members or its representatives on matters pertaining to hours, wages, and working conditions. Nor shall the Board negotiate with individual bargaining unit members over their wages, hours, and working conditions, except as provided herein. Any alleged violation of this section may be remedied by the filing of either a grievance or an unfair labor practice, but not both, it being the express intent of the parties that there be no duplication of remedies.

**Section 3.15 Use of Facilities and Equipment**

Upon prior approval of the administration, the Union may use facilities and equipment of the College where such use does not interfere with the operation of the College. Where actual costs are incurred by the College on account of such Union usage, those costs may be charged to the Union.

**Section 3.16 Public Records**

Upon written request from the Union, the Board shall make available to the Union any existing public records which would otherwise be disclosable to the Union pursuant to the Freedom of Information Act.

**Section 3.17 Polygraph Examination**

No bargaining unit member shall be required to take a polygraph examination as a condition of retaining employment with the Board, nor shall any bargaining unit member be subject to discipline for refusing to take a polygraph examination.

**Section 3.18 Use of Security Cameras**

Prairie State College has installed numerous security cameras for the safety and welfare of the staff and students. The videos generated from the cameras will be used as a surveillance tool to deter criminal activity and to protect the campus. In cases of employee discipline and/or dismissal, the videos generated may be used only as supporting evidence. The Union President and/or Grievance Chair(s) may request to view designated videos and/or view security monitors.

**Section 3.19 Union Storage Space**

The Union will be provided accessible locked storage space on campus for storage of union records and files.

**Section 3.20 Release Time**

The Board agrees that Union officials will have access to bargaining unit employees. The Union agrees not to interfere with the employee's normal duties. The Board shall grant up to a combined total of six (6) hours per week of release time with pay for union officers to perform necessary duties. The release time will be divided between the Union President, Grievance Chairperson(s), or other designee(s) for the purpose of conducting the affairs of the Union. This time granted may be used in conjunction with the member(s)' lunch break time, however, in any event a regular schedule shall be established each semester when

possible. If additional release time is needed in excess of six (6) hours per week, the Union officer(s) must request additional time, in writing, to his/her immediate supervisor with a copy to the area Vice President. The Union will provide five (5) working days notice as reasonably practicable to the College. This union release time shall be used to meet one-on-one with members, conduct union meetings, and to attend off-campus union meetings conducted by the Local or their statewide affiliate. Meetings that union officers have with the administration regarding union issues is not to be considered use of union release time. Officers will be granted paid time off during their scheduled working hours to attend such meetings.

Employees shall be granted paid time off during their scheduled working hours if they are required to attend as a grievant or representative at a scheduled hearing/meeting with management. Requests for such time off shall be submitted to the supervisor upon notification of a scheduled meeting or as early as reasonably practicable. Union officers shall also be granted paid time off to serve as representatives on college committees.

### **Section 3.21 Annual Convention Leave**

The Board or its designee agree that up to two (2) members of the Union who have been elected as official Local 1600 delegates to conferences or conventions of the American Federation of Teachers, and Illinois Federation of Teachers shall be granted paid leave to attend such conferences and/or conventions. The Board and Union agree that the maximum number of work days with pay granted to the Union under this provision shall be ten (10) per year, and no more.

## **ARTICLE IV - MANAGEMENT RIGHTS AND NO STRIKE PROVISION**

### **Section 4.1 Board Rights**

- A. The Board retains and reserves the ultimate responsibility for proper management of Community College District 515, as conferred upon and vested in it by the statutes and the Constitution of the State of Illinois and

the United States, including but not limited to the responsibility for and the right:

- 1) To maintain executive management and administrative control of the District, its properties and facilities, and the activities of its employees as related to the conduct of College affairs;
- 2) To hire all employees and, subject to the provisions of the law, determine their qualifications and the conditions for their continued employment or their dismissal or demotion, their assignment, and to promote and transfer all such employees;
- 3) To delegate authority through recognized administrative channels for the development and organization for the means and methods of operations;
- 4) To determine schedules, the hours of operation, and the duties, responsibilities, and assignments of employees with respect thereto.

The exercise of the foregoing powers, rights, authorities, duties, and responsibilities by the Board, the adoption of policies, rules, regulations, and practices in furtherance thereof, shall be limited by the specific and express terms of this Agreement.

#### B. No Strike

The Union agrees, for itself and on behalf of each individual member of the bargaining unit, that, during the term of this Agreement, neither the Union nor any individual member of the bargaining unit will withhold services in any way at any time, nor will they engage in such concerted action as strike, slow-down, or mass sick call, and shall not honor or refuse to cross any picket line, whether related to primary or secondary activity; nor will they impose any duty or obligation upon any member of the bargaining unit to conduct, assist, or participate in such withholding of services, strikes, slow-down, or mass sick call.

## **ARTICLE V - HOURS OF WORK**

### **Section 5.1 Work Week**

- A. The regular work week shall consist of forty (40) hours exclusive of lunch periods of one-half hour in duration and inclusive of two (2) fifteen (15) minute rest periods. Lunch periods are required in any workday that exceeds six (6) hours, except for those whose work requires that lunch be part of the workday. Employees whose positions require them to work for six (6) hours continuously with children shall be allowed a fifteen (15) minute rest period within their hours of work. Lunch and rest periods are assigned by the area supervisor and unit members may request that the break periods be added to the lunch period. Employees may be required to work in excess of a forty (40) hour week and are subject to the overtime provisions below.
- B. A flexible 40 hour work week allows a person to shift their hours to accommodate an event when scheduled ten working days in advance. In such a case if the bargaining unit member is scheduled to work an event in the evening they can shift their schedule with a later start the day of the evening event or the day after the evening event. This flexibility would accommodate them working the event and not require any additional hours worked and not require overtime pay. The support staff member and supervisor would have input and agree as to when (preferably within that work week) the flex time would be utilized. Any flex time not scheduled within 30 days will become comp time. Time worked for Commencement will be eligible for overtime. Employees whose job description calls for a flexible work schedule are exempt from the ten (10) working day notice.
- C. Regular part-time employees shall have their work week and hours assigned by the area supervisor in accordance with the provisions of this article.

- D. Work schedule options for summer, such as flex time, shall be determined by the Board no later than the December Board meeting of the previous year.

### **Section 5.2 Emergency Closings**

- A. In the event the College is closed on an emergency basis, the employee shall suffer no loss of pay.
- B. If the College is open but the employee is unable to report to work, the employee may use any accrued leave or Comp Time available or receive a corresponding reduction in pay if no accrued time is available.
- C. If emergency closings occur prior to the start of the regularly scheduled workday, notice of such closing will be posted on the college website, other social media, broadcast media, and will be announced through PSC Alert system.
- D. If an emergency closing necessitates the interruption of the regularly scheduled workday, every effort will be made to notify bargaining unit members of on-campus and off-campus sites through normal methods of communication.

### **Section 5.3 Children's Learning Center**

- A. The Administration will develop and distribute, by January 1, an annual calendar for the Children's Learning Center employees consistent with the operating needs of the College.
- B. A staff member's work schedule may be adjusted based on enrollment. No more than two staff members work schedules may be adjusted per shift per semester. The adjustment can be no more than one (1) hour from the staff member's regularly scheduled start time (e.g., 7:30 a.m. – 3:30 p.m. adjusted to 8:30 a.m. – 4:30 p.m.). If this action is necessary it must occur

as follows: 1) by staff volunteer or (2) by reverse order of seniority. The employee shall be notified by the following dates:

- a. December 1 – Spring semester
- b. July 15 – Fall semester
- c. April 15 – Summer semester

The union will be notified when changes are made.

- C. The twelve (12) month support staff employees in the Children’s Learning Center will have their pays divided into twenty-six (26) equal pays. When the college is closed by the administration, they will not suffer any loss of pay as stated in section 5.2A of the support staff contract.

#### **Section 5.4 Club Sponsor or Advisor**

No support staff employee shall serve as a club sponsor or advisor, whether it be on compensated or non-compensated time, except for employees who have club advising in their job description. The college can request that a support staff member serve as a club sponsor or advisor, but the member must agree, the request must be in writing and signed off by the Vice President of the division, and any extra work created by said activity will be governed by Article VI – Overtime/Compensatory Time.

### **ARTICLE VI - OVERTIME/COMPENSATORY TIME**

#### **Section 6.1 Overtime**

- A. Work in excess of the regularly scheduled work week (for Monday-Friday employees, including Saturdays, Sundays, and holidays, not regularly scheduled), shall be considered overtime and paid at the rate stated in paragraph C. For those whose work week is other than Monday-Friday, the sixth and seventh days shall be adjusted in light of their regular weekly schedule. Overtime must be authorized by the supervisor in advance.

- B. Limited duration work in excess of the regular work week (e.g., registration activities, surveys, etc.), outside of the bargaining unit member's classification, shall be paid at one and one-half times a rate determined by the Office of Human Resources. The Union will be notified in advance of posting said opportunities.
- C. Overtime for hours worked in excess of the regularly scheduled work week shall be paid at the rate of one and one-half hours for each hour worked. Non-regularly scheduled Sundays (seventh day) and the days the College is closed between Christmas and New Year's Eve day, will be paid double time. Holidays will be paid at triple time rates.
- D. A minimum of three (3) hours at the overtime rate shall be paid to the bargaining unit member requested to work for emergency duty.
- E. A bargaining unit member requested to work on a holiday should be paid for no less than four hours of work.
- F. For purposes of calculating overtime, the following benefit time will count towards the forty (40) hours an employee must work before earning overtime: (i) College holidays and (ii) vacation time. For purposes of calculating overtime, the following benefit time will not count toward the forty (40) hours an employee must work before earning overtime: (i) bereavement leave; (ii) personal days; (iii) floating holidays; and (iv) sick days.
- G. In the event the President, or designee, determines that it is necessary to close the college or a particular building location due to inclement weather or other emergency situations, employees who are required to remain at, or report to, work shall be paid at their regular hourly rate for all hours actually worked in addition to being paid for the closed building day. Hours worked past the regularly scheduled eight hours will be paid at the overtime rate of 1.5 in addition to their regular pay. Closure at one facility does not necessarily mean closure at all facilities.

**Section 6.2 Compensatory Time**

A bargaining unit member may request compensatory time, in lieu of overtime, at the rate of one and one-half hours for each hour worked, to a maximum of 26 base hours (39 compensatory hours) per semester (8 base hours/12 compensatory hours during the summer session), and those must be used during the semester/session in which compensatory hours are earned and/or within 30 days following the end of the semester/session. Compensatory hours not taken in the allotted time will convert to overtime and be paid as stated in C above. Compensatory time must be authorized in advance by the supervisor.

**Section 6.3 Compensation for Additional Work**

When an employee is assigned by his/her supervisor to complete the work of another employee on a temporary basis (i.e., filling in for the work of an open position or filling in for an employee on a leave of absence), after a period of more than ten (10) work days, the employee will begin to receive two times his/her regular hourly rate, for a designated number of hours determined by his/her supervisor. For example, if the employee's hourly rate is \$10 per hour, he/she would receive \$20 per hour under this section. If the employee gets the work done in fewer hours or during the course of a normal work day, then he/she will still receive the additional compensation. Approved timesheets must be submitted on a bi-weekly basis within a maximum 30 calendar day period from the time work was performed.

When an employee is assigned by his/her supervisor to complete responsibilities in addition to their current responsibilities, the employee or supervisor, on behalf of the employee, may request additional compensation. The responsibilities must be

The union will be notified when additional pay is requested and any compensation granted pursuant to this provision will be upon mutual agreement of the employee, union and college. Approved extra pay, up to three (3) percent of the employee's base salary, shall be calculated from when the pay was requested, with up to a maximum of sixty (60) calendar days of retroactive pay allowed.

- D. A bargaining unit member on an approved Disability/Medical leave may continue (at employee's cost) medical insurance coverage through the College plan(s) for the period of the leave.

If the affected bargaining unit members do not possess the requisite skills or knowledge to perform the required work in the new operation, the Employer shall provide the necessary training. However, the employer's determination of qualifications, fitness for the new operation, and level and amount of training shall be final.
- D. If the job of any bargaining unit member is eliminated because of the implementation of new technological innovations, the Employer shall in the following order of priority: 1) place the bargaining unit member in a position

comparable in level to his/her original position if available, and if qualified for the position, as determined by the administration; 2) place the employee in a lower level position for which he/she is qualified as determined by the administration, and if a position is available, shall retain his/her existing rate of compensation; 3) follow the procedure under Article XVIII, Reduction-In-Force.

If the bargaining unit member does not agree with the evaluation, he/she may file a written rebuttal which shall be attached to the evaluation. If, at the time of the second evaluation, the employee's work is deemed to be less than satisfactory, said employment will be terminated. The College's decision to discharge and/or a decision not

to hire a probationary employee within the first six (6) months is not grievable or arbitrable.

- 4) The administration, if it deems necessary, will provide each new bargaining unit member with what it determines to be appropriate orientation and on-the-job training.

C. In the event of any conflict between the terms of a bargaining unit member's contract of employment and the terms of this Agreement, the latter shall be controlling.

### **Section 14.2 Internal Hiring Policy**

When a current Prairie State College employee applies for a posted position within the College that is not related to his/her current position, the compensation offered to all candidates, internal or external, would be consistent with the posted salary range. Administration will determine the starting salary within that range based on the candidate's qualifications.

This generally will be limited to the first quartile of the salary range for the new position. The employee's current salary will not influence the salary received in the position.

## **ARTICLE XV - PROMOTIONS**

### **Section 15.1 Procedures**

- A. A promotion occurs when a support staff employee moves from one position to another existing or new position at a higher salary range within the College. A promotion may occur upon the approval of the respective Vice President(s) of the relevant area(s) and the President. The administration shall notify the union prior to such actions.

- B. In situations where internal promotions are granted, the position to which one is promoted shall not be posted. Instead, the employee will move into the designated position and shall be granted a salary increase of 10% or be placed at the minimum of the new salary grade, whichever is greater.

## **ARTICLE XVI - TRANSFERS**

### **Section 16.1 Procedures**

A transfer occurs when a bargaining unit member is moved from one position to another solely by administrative action. The administration shall notify the union prior to such actions. An involuntary transfer is defined in C below, and occurs when the unit member is transferred to a position that she/he does not find acceptable. Conversely, a voluntary transfer is one which, when proposed to the bargaining unit member, is found acceptable. Transfers are not to be confused with position changes as a result of posted vacancies (see Article XIII) or promotions (see Article XV).

- A. Whenever a bargaining unit member is transferred from one position to another by administrative decision for a reason other than unsatisfactory work performance, said bargaining unit member shall not be adversely affected in salary or seniority.
- B. Downgrading a bargaining unit position resulting from an administrative decision shall not adversely affect the salary position of the member in the established ranges.
- C. When an employee is given an involuntary transfer, not resulting from a demotion, to a new position with a range that is less than the range of the employee's present grade (e.g., abolition of a job and the consequential reassignment of a position with a lower grade), no immediate salary reduction should occur. If the employee's salary is above the maximum of

the lower grade, the following guideline should apply: Grant no salary increments or general structure increases until the maximum for the new grade equals or exceeds the employee's salary.

- D. Prior to an involuntary transfer, the supervisor shall meet with the bargaining unit member and shall provide reason for the transfer in writing. Any employee being transferred will receive priority consideration for a period of one calendar year for transfer into future bargaining unit vacancies for which the bargaining unit member meets the minimum qualifications as published for such vacancy, except that this clause shall not affect recall rights Article 18.2.
- E. The compensation of an employee who is transferred to a lower band/level due to unsatisfactory work performance will be arrived at as follows:
1. Divide the employee's current salary by the minimum salary for their current band/level;
  2. Multiply the number determined in Step 1 by the minimum salary for the new lower band/level to derive the new salary amount. Example:  
(Step 1) current salary = \$35,000, current band minimum = \$30,000,  
 $\$35,000 \div \$30,000 = 1.17$  or 117%; (Step 2) New band minimum =  
 $\$25,000 \times 117\% =$  new salary of \$29,250.
- F. Any employee who voluntarily applies for an open position under Article XIII-Vacancies, shall not be eligible to apply for the position under any other article of the contract.

## **ARTICLE XVII - SEVERANCE PAY**

### **Section 17.1 Procedures**

A bargaining unit member who is terminated except for performance, for cause, by retirement, or by voluntary resignation, or who is deemed to have abandoned employment, shall receive severance pay in the total amount of one month's pay for employees with one (1) - ten (10) years of continuous service, or a total amount of two month's pay for employees for more than ten (10) years continuous service. This distribution will occur after the last official check from the College has been issued. Grant-funded employees are not entitled to severance pay if they are released from employment due to the expiration of a grant.

The College from time to time may be required to discharge bargaining unit employees as a consequence of shortage of funds, department reorganization, the introduction of new machinery, or methods or procedures, including time or work efficiency studies.

## **ARTICLE XVIII - REDUCTION IN FORCE**

### **Section 18.1 Layoffs**

- A. If it is determined that layoffs are necessary, employees will be laid-off in the following manner:
- 1) Hourly employees within the department affected provided that:
    - a) the bargaining unit member is qualified to do the work of the non-unit member;
    - b) it is physically (e.g., location, time, etc.), possible for the hourly work to be done by the bargaining unit member, and;
    - c) if there are two hourly positions that the bargaining unit member would be qualified to do, these positions be combined.

This shall not apply to student employees.

In the event any bargaining unit member bumps an hourly position, said employee assumes the status of that position.

- 2) In the event of further layoffs, bargaining unit members shall be laid off from the affected Departmental Seniority List (Appendix C) in accordance with their seniority under the following conditions:
    - a) Seniority comparisons shall be made pursuant to Departmental Seniority Lists by position range established by the Administration and given to the Union at the outset of each fiscal year.
    - b) In the event of a layoff, once the department, range, and job title have been determined, the bargaining unit member with least seniority will be selected.
    - c) The person selected may, if deemed qualified by the department's administrator, bump out persons of less seniority in lower level position classifications within the same department.
  - 3) In case of layoff, within each Departmental Seniority List by range, the Board may exercise one exemption from seniority layoff, and choose to select the next senior employee indicated on the Departmental Seniority List by range.
- B. Individual insurance coverage for any laid-off bargaining unit member shall continue for thirty (30) days from the beginning of said layoff. Thereafter, the employee shall have retention and/or conversion rights as provided by law, at employee expense.

**Section 18.2 Recall**

- A. Bargaining unit members who are laid off shall be placed on a recall list for a period of one (1) year from the effective date of layoff. Such bargaining unit members shall have priority consideration for any opening which becomes available for which the employee meets minimum qualifications established by the administration. If two or more employees on a lay off list meet minimum qualifications, the administration shall refer to each initial hire date to determine seniority.
- B. If an employee is recalled to a lower rated range, the employee shall have the right to refuse recall without any adverse affect on his/her recall standing.
- C. The Board shall not hire new employees in the bargaining unit positions affected by layoffs as long as there are bargaining unit members on the recall list who meet minimum qualifications and who have not refused the position in question for one (1) year from the date of layoff. Thereafter, the Board may hire new employees from outside of the bargaining unit.
- D. Employee Recall List Form - If an employee is laid off, the Department of Human Resources will include a copy of the Employee Recall List Form for completion at the employee's exit interview. This form will remain on file in the Department of Human Resources for a period of one (1) year. This form may be found in Appendix I of this Agreement.

**Section 18.3 Outsourcing of Work**

The College reserves the right to contract out any work it deems appropriate.

Whenever the College determines that it is in the best interest of the College to subcontract out the work of bargaining unit members, the Union will be notified, in writing, ninety (90) days prior to said layoffs. Upon written request to the Union, the Board will enter into negotiations with the Union with respect to the impact upon such affected employees, including their possible reassignment to other available positions in the College and/or their employment by the subcontractor.

**ARTICLE XIX - SENIORITY****Section 19.1 Process**

- A. Seniority for bargaining unit members shall accrue as of the bargaining unit member's date of employment as a bargaining unit member in continuous service. Continuous service is broken only by one of the following:
- 1) Voluntary resignation
  - 2) Discharge
  - 3) Failure of the bargaining unit member to return to work at the expiration date of an approved leave of absence or recall to work after a layoff when a notice of ten (10) or more work days has been delivered to the bargaining unit member by certified or registered mail at the last address filed by the bargaining unit member in the Department of Human Resources
  - 4) A leave of absence or disability that exceeds six (6) months.
- B. If two or more bargaining unit members have the same seniority date, the date of the bargaining unit member's application shall control; whereby the bargaining unit member with the earlier application date shall be senior.

- C. A seniority list shall be prepared annually by the College and delivered to the Union President no later than July 1st of each fiscal year.
- D. Anyone laid off shall receive priority for a period of one (1) year for any job vacancy for which they are qualified, as determined by the administration, in order of seniority, with the senior qualified bargaining unit member being called back first.

## **ARTICLE XX - POSITION CLASSIFICATIONS**

### **Section 20.1 Job Description**

Position classification is defined as a position title as indicated in Appendix C. Each position classification covered under this contract shall have a written job description. The Department of Human Resources shall give the Union a copy of all updated job descriptions.

### **Section 20.2 Job Classifications**

The Prairie State College Job Classification Structure (Appendix C) covers all staff positions throughout the College. Placement of positions within the Job Classification Salary Structure will be determined by the hiring manager, area Vice President, and Executive Director of Human Resources after reviewing the job description and required qualifications.

If there is a dispute of the classification, the Union president or their designee will meet with the Executive Director of Human Resources and hiring manager to discuss the reasoning of the decision. If the position classification is changed, all sections of the contract will be followed to remedy this issue.

## **ARTICLE XXI - GRANT FUNDED POSITIONS**

### **Section 21.1 Grant Funded**

Grant-Funded Employees are defined as persons employed by the College in positions that have been created specifically per the terms of a grant and with at least fifty percent (50%) of the position's compensation package being paid by grant funds. The Board and the Union recognize that, as a condition of employment, grant-funded employees are hired only for the duration of the grant for which they work. Any and all current grant-funded employees whose employment is specifically related to a current grant as defined above shall become bargaining unit members regardless of the terms and/or monetary amount of the current grant under which they are employed, except when the employment of such an employee meets and/or exceeds the terms identified below for permanent employment.

Grant-funded employees are eligible for membership in the bargaining unit from the first day of employment and will be entitled to all the benefits afforded in this contract, with the exception of Article XVII, Severance Pay, when the grant expires. Grant-funded employees shall be considered probationary employees until they complete a six (6) month probationary period and subject to all provisions stated in Article XIV – Hiring, of this contract.

Seniority for grant-funded employees that become bargaining-unit members shall be the first date that the grant-funded employee becomes a bargaining-unit member.

## **ARTICLE XXII - RECLASSIFICATION**

### **Section 22.1 Process**

- A. An employee may request a position reclassification by completing a Position Description Questionnaire (PDQ) and submitting it to his/her supervisor. The PDQ is to be used to determine if the position has substantially changed. If the duties have not substantially changed, there is no basis for a reclassification or appeal.
- He/she should also forward a copy of the PDQ to the Executive Director of Human Resources. Within thirty (30) calendar days from receipt of the request, the recommendation will be forwarded to Cabinet. A supervisor may also request a reclassification for an employee. In which case, proceed to item D.
- B. If the supervisor agrees that the job has changed enough to warrant consideration for reclassification, the Executive Director of Human Resources will review the request and make a recommendation to the Cabinet to either approve or reject the reclassification request.
- C. If the supervisor does not agree that the position changes are sufficient to warrant reclassification, he/she will discuss the rationale with the Executive Director of Human Resources, who will then decide either to accept or reject the request for reclassification. Cabinet will review rejected classification requests.
- D. If the Executive Director of Human Resources rejects the request for reclassification (item C), the employee may appeal that decision by completing a Reclassification Appeal Packet and submitting it to his/her Vice President. Upon receipt of the Reclassification Appeal Packet, the Vice President will schedule a meeting within thirty (30) calendar days with

the employee, his/her supervisor, a Union board member, and the Executive Director of Human Resources to review the reclassification request. If the Vice President determines that the position does not qualify for reclassification, that decision shall be binding and not grievable. If the Vice President determines that the position qualifies for reclassification, it will go to the Cabinet for consideration. The decision of the Cabinet shall be final and non-grievable. If the Cabinet approves the reclassification, the employee shall move to the new salary grade and receive a salary increase of 5% or be placed at the minimum of the new salary grade, whichever is greater. This change will be effective at the time of approval.

## **ARTICLE XXIII - DISCIPLINE**

### **Section 23.1 Disciplinary Procedure**

Both the Board and the Union encourage supervisors and employees to communicate with one another and to informally resolve any problems that may arise. However, both parties recognize that, from time to time, circumstances may arise which require the dispensation of discipline. Discipline shall be performed in a timely manner. Discipline shall be administered when behavior/conduct interferes with the job performance of self or others, or the overall operation of the College. Certain unacceptable actions which may include, but not be limited to, insubordination, falsification of records, possession of weapons or drugs/alcoholic beverages on College premises, theft, gambling, fighting, and sabotage, may be serious enough to warrant immediate suspension for the first offense and possible termination of employment after investigation.

Discipline shall be issued in a private and confidential manner, and will be administered as follows:

### **Section 23.2 Oral Warning**

The oral warning shall be delivered to the employee by the immediate supervisor with the Executive Director of Human Resources present. The supervisor shall present a memorandum documenting the oral warning. The Union shall be notified and shall have a right to be present at the meeting. The employee is responsible for notifying the Union for representation. A copy of such memorandum shall be served upon the employee who shall sign a copy to acknowledge receipt thereof, and a copy shall be placed in the employee's personnel file. Employee refusal to sign the oral warning shall be noted and shall be placed in the employee's personnel file. If no additional discipline is issued to the employee within a 12 month period of receiving their first oral warning, the oral warning shall be removed from their personnel file. Only the first oral warning is eligible for removal from an employee's file.

### **Section 23.3 Written Warning and Conference**

The written warning shall be delivered to the employee by the immediate supervisor with the Executive Director of Human Resources present. The supervisor shall present a memorandum documenting the written warning. The Union shall be notified and shall have a right to be present at the meeting. The employee is responsible for notifying the Union for representation. The administration is responsible for notifying the employee that a disciplinary meeting shall take place. If the employee chooses not to have Union representation in the meeting, he/she will sign a written memorandum stating that he/she has been offered Union representation and has refused it. The memo shall

contain a description of the unacceptable performance. The memo shall be given to the employee with copies to the supervisor, the Executive Director of Human Resources, and the employee's personnel file. All persons present shall sign said memorandum. Employee's refusal to sign letter of written warning shall be noted and shall be placed in the employee's personnel file. If no additional discipline is issued to the employee within a thirty-six (36) month period of receiving their first written warning, the written warning shall be removed from their personnel file. Only the first written warning is eligible for removal from an employee's file.

#### **Section 23.4 Suspension**

A suspension, with or without pay, shall be delivered by the immediate supervisor with the Executive Director of Human Resources present. Reasons for a suspension will be discussed. The Union shall be notified and shall have a right to be present at the meeting. The employee is responsible for notifying the Union for representation. The administration is responsible for notifying the employee that a disciplinary meeting shall take place. If the employee chooses not to have Union representation in the meeting, he/she will sign a written memorandum stating that he/she has been offered Union representation and has refused it. At the disciplinary meeting, a written memorandum shall be prepared and given to the employee with copies to the supervisor, the Executive Director of Human Resources, and the employee's personnel file. All persons present shall sign said memorandum. Employee's refusal to sign letter of suspension shall be noted and shall be placed in the employee's personnel file.

**Section 23.5 Discharge**

Written notification of discharge shall be delivered to the employee by the immediate supervisor with the Executive Director of Human Resources present. The Union shall be notified by the Executive Director of Human Resources regarding termination cases and shall have the right to be present at said meeting. The administration is responsible for notifying the employee that a disciplinary meeting shall take place. If the employee chooses not to have Union representation in the meeting, he/she will sign a written memorandum stating that he/she has been offered Union representation and has refused it. The Executive Director of Human Resources shall be present, and a copy of the discharge shall be placed in the employee's personnel file. At the disciplinary meeting, a written letter of discharge shall be prepared and given to the employee with copies to the supervisor, the Executive Director of Human Resources and the employee's personnel file. All persons present shall sign the letter. Employee's refusal to sign letter of discharge shall be noted and shall be placed in the employee's personnel file. The administration shall notify the Union if any bargaining unit member is discharged.

**Section 23.6 Personnel File**

Every employee shall have the right to examine his/her official personnel file upon appointment with the Department of Human Resources. This file shall be the only official file. Such examination shall be exclusive of confidential referral or recommendation-type material which may be in the file from sources other than Prairie State College. The employee may attach rebuttal, clarifying, or explanatory materials to any items in his/her file as he/she deems appropriate.

**Section 23.7 Performance Evaluations**

An employee's performance shall be formally evaluated at least once per year. The purpose of the performance evaluation is to document elements of the position which the employee does well and those which require improvement, and to establish goals and development plans for continued growth. The immediate supervisor shall meet with the employee to discuss the performance evaluation and give the employee an opportunity to ask questions about any issues that may be unclear. After the evaluation discussion has taken place, the supervisor and the employee shall both sign the evaluation, and the employee shall be provided with a written copy of the evaluation as well as any relevant supporting documents. An employee's signature indicates only that he/she has read and understood the evaluation, and shall not be interpreted to indicate agreement with the contents. The original of the signed evaluation shall be kept in the employee's official personnel file.

**ARTICLE XXIV - GRIEVANCE PROCEDURE****Section 24.1 Definition**

Prairie State College and the Prairie State College Federation of Support Staff agree that they will use their best efforts to encourage the informal and prompt settlement of grievances. In the event a grievance may arise between Prairie State College and the Prairie State College Federation of Support Staff, involving the interpretation and application of this Agreement, a grievance procedure is described below for the orderly resolution of such grievances.

A complaint shall first be discussed in a timely manner between the affected bargaining unit member and his/her immediate supervisor with the object of resolving the matter informally. The affected member may ask that a single Union representative be present for the discussion.

**Step 1** All grievances shall be filed at Step 1 within fifteen (15) working days after the Union becomes aware that a grievance exists. The grievance form may be found in Appendix M of this Agreement. A grievance shall first be submitted in writing by the affected bargaining unit member to his/her immediate supervisor. The affected member may ask that a single Union representative be present for the discussion. The immediate supervisor may ask the Executive Director of Human Resources be present for the discussion.

Within five (5) working days after said discussion, the supervisor shall give the affected unit member a written response. After the written response is received, the affected employee shall have (10) working days to file a Step 2 grievance.

**Step 2** In the event the grievance has not been resolved in the first step, the Union or the grievant will submit a written statement to the Vice President of the department affected by the grievance. The second step shall be made within ten (10) working days after the receipt of the immediate supervisor's decision. Within ten (10) working days of the second step filing, the Vice President shall confer with the Union and the grievant in an effort to resolve the grievance. The Vice President may ask the Executive Director of

Human Resources be present for the discussion. The Vice President, shall, within ten (10) working days following the conference, file his/her written decision with the grievant and the Union.

**Step 3** In the event the grievance has not been resolved in the second step, the Union will submit a written statement to the President. Said statement shall be made within ten (10) working days after receipt of the Vice President's decision. No later than ten (10) working days after receiving the statement, the President or his designee, shall schedule a hearing on the grievance. The President or designee may ask the Executive Director of Human Resources be present for the discussion. If the President chooses to select a designee to hear the grievance, it shall be a different Vice President than the Vice President that issued the Step 2 decision. Within ten (10) working days after the hearing, the President or designee shall communicate his/her decision in writing.

**Step 4** Within thirty (30) calendar days after receiving the decision of the President, the Union, at its option, shall submit the grievance to binding arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association (AAA). The arbitrator shall follow the standard rules of the AAA and his/her decision shall be binding on all parties. Expenses for the arbitration services shall be borne equally by the Board and the Union.

**Section 24.2 Discharge Grievances**

This section is intended to set up a special procedure for the prompt review and disposition of grievances involving termination of employee(s) who have completed their probationary periods.

Upon determination by the Union that a breach of the contract may have occurred, the grievance procedure will be initiated at the third step. If the grievance is not settled at step 3 and proceeds to step 4, all terms and conditions of step 4 will remain in effect, except that the arbitrator will be requested to issue his/her decision at the end of the hearing or within sixty (60) calendar days of the hearing.

**Section 24.3 Provisions**

- A. No bargaining unit member will be required to meet with any administrator or supervisor at any formal stage of the grievance procedure without a Union representative.
- B. No participant in the grievance procedure shall be financially penalized for such participation. In the event the Union wants participants other than the grievant for a meeting/hearing during work hours, and the administration objects, the meeting/hearing shall be conducted after work hours.
- C. A bargaining unit member who participates in the grievance procedure shall not be subject to disciplinary action in reprisal because of such participation.
- D. The grievant or his/her representative will be provided copies of all materials submitted by the Board as evidence in any arbitration of the subject grievance.

- E. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit lodging an appeal at the next step of this procedure within the time allotted had the decision been given.
- F. In any instance where the Union is not representing the grievant, the administrator or supervisor receiving the grievance or making the decision shall notify the Union in writing of all meetings, hearings, and resolutions at any level. The Union may appeal any decision which would seem to violate any terms of the Agreement.
- G. A grievance may be initiated and /or conducted by:
- 1) a bargaining unit member on his/her behalf;
  - 2) a bargaining unit member accompanied by a Union representative;
  - 3) a Union representative at the bargaining unit member's request;
  - 4) the Union as a sole and exclusive bargaining agent for alleged violation of the union's rights under this contract. A union grievance may be initiated at the Step 2 level.
- H. Conferences held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for the grievant and his/her representative to attend.
- I. All time limits may be extended by mutual agreement between the parties.
- J. A grievance may be withdrawn or settled at any level without precedential effect.

**ARTICLE XXV - ENTIRE AGREEMENT****Section 25.1 Agreement**

- A. The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any matter or subject not removed by law or by agreement of the parties from the area of collective bargaining, and the entire understanding and agreements arrived at by the parties after the exercise of that right are set forth in this Agreement. Therefore, the Board and the Union, for the life of this Agreement, each voluntarily waive any and every right which might exist under law, practice, or custom to negotiate any further agreements, items, or topics effective for or during the term of this Agreement, regardless of whether or not proposals were made on such issue, topic, or item, or whether the issue or topic or time was negotiated. Each party expressly acknowledges that the only obligation to bargain during the term of this contract arises should both parties agree to amend, alter, or change a specific express provision of this Agreement.
- B. During the term of this Agreement, this contract may be altered, changed, added to, deleted from, or modified only through the voluntary mutual consent of the parties in a written and signed amendment.

**ARTICLE XXVI - PRECEDENCE OF AGREEMENT**

**Section 26.1 Agreement**

If there is any direct conflict between the expressed terms of this Agreement and Board rules or its Policies and Procedures Manual, this Agreement shall take precedence.

**ARTICLE XXVII - TERMS OF AGREEMENT**

This Agreement shall become effective July 1, 2015, and shall remain in full force and effect until June 30, 2018 unless written notice is given by the union or the college by March 30, 2017 for the purpose of negotiating compensation and benefits only for the last year of this Agreement. This Agreement shall remain in full force and effect during the period of negotiations or until such time as it is replaced by any subsequent Agreement. It is the obligation of the Union to notify Prairie State College between January 1, 2018 and January 31, 2018 in writing of its desire to renegotiate this Agreement. Once notification is provided, the parties will agree on a mutually agreeable date to begin the negotiation process.

IN WITNESS WHEREOF, the parties have hereunto set their hands this  
30th day of June 2015.

**Prairie State College  
Federation of Supportive Staff  
Local 1600**

**Sick Bank Guidelines**

- 2) Upon the execution of this agreement there shall be established a Sick Leave Bank, hereafter referred to as the Sick Bank. The basic purpose of this Bank is to alleviate the effects of **prolonged illness, injury, or hospitalization** upon the Prairie State College Supportive Staff members. In accordance with this purpose, the Sick Bank shall not be used for single day or **short term occurrences**.
- 3) Any member of the Prairie State College Supportive Staff shall be eligible to participate voluntarily in the Sick Bank. Such members who desire to participate in the Sick Bank shall submit written notice of intent to do so on a form that will be provided. To participate, Prairie State College Supportive Staff members will contribute one (1) day (8 hours) of accumulated sick leave to the bank per year. Said notice shall be given to the Sick Bank Committee during the month of June each year. All days contributed to the bank are not refundable.
- 4) All new employees may join after six (6) months employment, or with the next years enrollment. **It is your responsibility**, if you would like to join, to return the Sick Bank application to the Vice President of the Support Staff Union after you have marked your six (6) month anniversary of employment at Prairie State College. **Your only other chance to join the Sick Bank is during general enrollment in June.**
- 5) The Sick Leave Bank Committee shall maintain a register of the membership and the number of sick leave days accumulated in the bank. The committee shall submit a **written report of days accumulated and/or used by November 1<sup>st</sup> of every year to the membership and the Union Board.**
- 6) Employees who are members of the Sick Bank, who have exhausted their accumulated sick leave, personal days, and vacation days, and who have been absent five (5) additional days without pay, **may request** reasonable withdrawals as determined by the Sick Leave Bank Committee, provided that there are sufficient days available in the bank, and provided that a physician's statement is included with each request for such benefits. **Withdrawals may not exceed twenty-five (25) days within one (1) fiscal year (July 1st-June 30th).**

The granting of such sick leave shall be subject to the same criteria as regular sick leave days and shall be in all other respects consistent with Board policy provided, however, **that such sick leave shall be available for the illness of the employee and not for the illness of family.**

- 7) As per Article VII, Section 7.3 of the contract, the days remaining at the end of the year will not be returned to contributing employees, but will be carried over. An employee whose utilization of the Sick Bank is approved by the committee, **may continue to receive such sick leave as awarded by the Sick Bank Committee.**
- 8) Whenever the accumulated sick leave days in the bank shall fall below **thirty (30) days**, the Sick Bank Committee shall notify all members. Thereafter, **one (1) day (8 hours)** of sick leave from each participating member's accumulated sick leave shall be assigned to the bank unless a member notifies the committee in writing, within ten (10) days of receipt of said notice, that he/she does not wish to remain a member. One month or 173 hours grace period will be allowed to accumulate the donation sick day.
- 9) Authorized use of Sick Bank days by participating members shall be made in accordance with the established policies and procedures of the college and only upon approval of the Sick Leave Bank Committee and its decision shall be final. The participating member's application for such withdrawal must be made after depletion of the employee's accrued vacation, sick and personal leave days, **and after an additional five (5) have passed without pay.** Application to the Sick Bank must be made in a timely manner. Any participating member who is receiving benefits from the State University Retirement System or who is absent for illness due to a work-related injury (which is compensated under the Illinois Workman's Compensation Act) may not avail himself/herself of any benefits of the Sick Bank. **Individuals who apply to the Sick Bank also must make timely application for the benefits from SURS and the Family Medical Leave Act (FMLA).**
- 10) The Sick Bank Committee shall be composed of five (5) participating union members who are elected by the union members who participate in the Sick Bank. The Vice President of the Union shall act as Chairperson of the Committee. Committee members will serve a term of two (2) years, with half elected on alternating years to provide continuity.

Operating rules and regulations for the Sick Bank shall be developed, implemented and amended when necessary by the committee with approval of the Executive Board of the Union.

**The Union Board shall be exempt from any grievance resulting from the actions of the Sick Bank Committee.**

Employees covered by a bargaining agent shall be subject to specific provisions for grievances/complaints as applicable within the agreement.

**APPENDIX I****EMPLOYEE RECALL LIST FORM**

TO THE BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 515

I hereby authorize and direct the Board of Community College District No. 515 through its officers, agents and employees, to place my name on Prairie State College's Official Recall List in the event of my layoff from employment.

By the placement of my name on the said Recall List, I hereby agree that I will notify the College, in writing, each six (6) months thereafter that I wish to remain on said Recall List. Such written notification shall be on forms as provided to me by the College at the time such layoff may occur. Said written notification, each six (6) months, will allow my name to remain on the Recall List for a period of one (1) year. It is understood and agreed that failure to properly notify the College within each six (6) month period, in writing, shall mean automatic removal of my name from the Recall List.

Should a recall occur, I will notify the College, in writing, within seven (7) days from the date the Recall Notice was mailed, that I wish to be recalled.

It is further understood and agreed that should a change of home address and telephone number occur after my name has been placed on the Recall List, I will notify the College, in writing, within fifteen (15) days of such change. Further, the undersigned hereby releases and discharges the Board of Community College District No. 515, its members, agents and employees of, and from, any and all liability whatsoever arising from failure of a recall attempt due to non-notification of such change of home address and telephone number.

## **APPENDIX L**

Employees over salary grade maximum identified in the Job Classification Salary Structure Range set forth below:

Employees in the identified classifications (Decision Band Method DBM) set forth below shall be paid wages that fall within their assigned salary range identified in the Job Classification Salary Structure ("Salary Range"). However, because the Job Classification Salary Structure was instituted recently and because the rate at which the Job Classification Salary Structure moves on an annual basis\*\* may be lower than the annual cost of living increases set forth in this Agreement, there may be situations in which an employee's current or projected salary exceeds (or will exceed) the maximum of his/her salary range. In such cases, the employee's salary shall be frozen until such time that the annual movement of the salary range for his/her classification catches up with his/her salary. When an employee's salary is frozen, the College shall pay the affected employee a lump-sum payment in lieu of the annual percentage rate increase on July 1 of the fiscal year in which the employee's salary is frozen. The lump-sum payment shall be equivalent to the percentage of the annual increase multiplied by the employee's current salary (e.g., an employee who is frozen at \$50,000.00 in a fiscal year with a 2.25% increase will be paid a lump-sum of \$1,125.00 on the next practicable pay date after July 1). The lump-sum payment is a stipend and not added to the employee's base salary.
